

Update - January 2024

What's changed

We are pleased to issue updates to your Mercia Audit Manual (dated 01/24).

The principal technical changes in this update include:

- Removal of content for periods commencing before 15 December 2021 as this is no longer relevant; and
- Best practice amendments.

In addition a number of other minor improvements and amendments have been made to the manual.

See below for a full list of changes.

Contact us

We are always pleased to receive feedback on our manuals, including any improvements that you would like to see incorporated. Please contact me if you have any comments to make.
